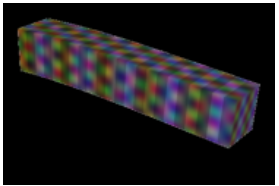
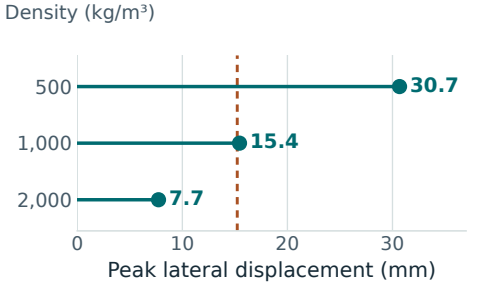
a Same passive sag

Held-out camera, frame 24



One observed motion
for three material pairs.

b Response to a 20 N push



GIC predicts 15.2 mm for all three cantilevers (dashed).

c Which evidence to collect?

	Proceed	Look	Probe
Same load	**96**	0	0
New load, visible base	4	**92**	0
New load, hidden base	5	0	**91**

Action counts over 96 beams per condition
